WORK EXPERIENCE

- **MY JOB DESCRIPTION :**
Web development, UI/UX and Project management.
- **NO OF WEEKS USED FOR INTERSHIP:**
24 weeks.
- **WHAT YOU DID DURING THE PERIOD OF THE INTERNSHIP (TASKS/PROJECTS/ASSIGNMENTS DONE):**
I Created web pages using HTML and CSS and bootstrap using visual studio code then designed a landing page for a project and also did a bit of project management.
- **LESSONS LEARNT FROM YOUR EXPERIENCE WITH RELATIONSHIP TO COURSE OF STUDY:**
I learnt how to write codes using the languages learnt.
- **FUTURE CAREER PLANS WHY REASONS FOR SUCH:**
Due to the experience gained during my SIWES program, I would love to pursue a career on full stack web development.
- **RECOMMENDATION**
The government, institution and the organizer of the scheme should try and secure companies that students can have their training because so many establishments reject industrial training students.

CONCLUSION

In conclusion, The Student Industrial Work Experience Scheme (SIWES) has helped me develop new skills and acquire knowledge and expose me to what real life would be like after graduation.
